STEWARDSHIP CAMPAIGN 2027

There is plenty good room.

"In my Father's house there are many dwelling places." — John 14:2

At St. John's, stewardship is about making room: room for worship and wonder, room for children and elders, room for questions and joy, room for our neighbors, and room for each of us to offer the gifts God has entrusted to us.

LOVE GOD

Gathering around Word and Sacrament.

LOVE NEIGHBORS

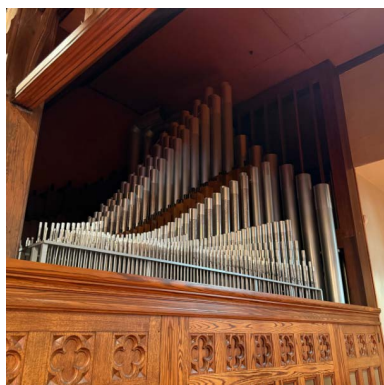

Sharing God's abundance beyond our walls.

LOVE YOURSELF

Growing in faith, friendship, and joy.

Room to Worship & Grow

The life of St. John's is built through hundreds of acts of faith, service, and love.

WORSHIP & MUSIC

Choir and music, acolytes, altar guild, Eucharistic ministers, lectors, ushers, flowers and linens, media ministry, and hospitality all help make worship possible.

FORMATION

Sunday School for all ages, Rector's Bible Study, Confirmation, Theology on Tap, retreats, and other gatherings give us room to ask hard questions, study Scripture, deepen our faith, and build relationships.

CHILDREN & YOUTH

From children's formation and Godly Play to Club 45 and EYC, St. John's makes room for young people to know God, discover their gifts, serve others, and experience belonging.

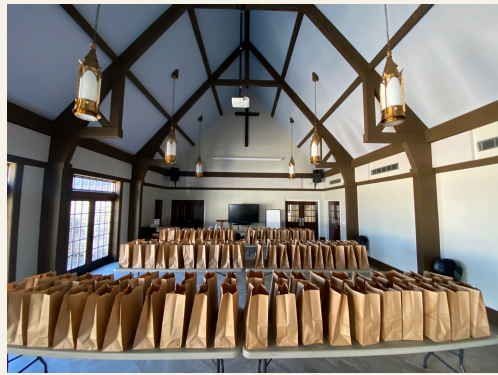

ROOM FOR ONE ANOTHER

Stewardship is also care. Eucharistic Visitors bring Communion to those who are homebound. Flower Deliverers carry the beauty of the altar into people's homes. Dinner & Reception Ministries, Parish Life, pastoral care, and countless quiet acts of hospitality help us celebrate, grieve, welcome, and walk together.

Every act of care makes the room a little wider.

Room to Serve

Our stewardship reaches beyond the red doors and into the life of our neighbors.

FOOD & DIGNITY

Backpacks of Food sends supplemental weekend nutrition home with local elementary students. Beans & Rice distributes food and household supplies to neighbors each month. Our Little Free Pantry offers food to those who need it, when they need it.

COMMUNITY PARTNERSHIPS

St. John's provides space for ESL classes and for the Community Free Clinic and Parents and Children Together (PACT), helping community organizations strengthen families and serve people in need.

CREATION CARE

Common Ground, the McKimmon Memorial Garden, and the Stewardship of Creation Task Force help us care for God's earth and the living community around us.

WHEN WE GIVE, WE MAKE ROOM FOR MINISTRY TO HAPPEN.

A STEWARDSHIP INVITATION FOR ST. JOHN'S

Room for You

What will you make room for?

Stewardship is more than balancing a budget. It is our response to God's abundance. It is the way we decide to make room—with our calendars, our abilities, our generosity, our prayers, and our presence—for the work God is doing through St. John's.

TIME

Show up. Pray.
Serve. Learn.
Welcome.

TALENT

Share what you
know and what you
love.

TREASURE

Give generously
so ministry can
flourish.

PLENTY GOOD ROOM

May our generosity make room for God's love in Decatur and beyond.
